

Buying a new home is one of the most significant investments you'll make. At Brighton, we're committed to quality construction, thoughtful design, and ensuring your peace of mind. That's why we offer a comprehensive new home warranty to protect your investment and provide homeowner protection throughout your journey.

In this blog, we'll break down what's included in Brighton's new construction warranty and how it's designed to give you confidence in your new home purchase.

What Is a New Home Warranty?

A new home warranty is a promise from your builder to address specific issues that may arise after you move in. It's an essential part of ensuring your new home meets the quality standards you expect. At Brighton, our home warranty gives you peace of mind, knowing that if something goes wrong, we've got you covered.

The benefits of a warranty extend far beyond repairs. It's a safeguard that ensures a worry-free homeownership experience and allows you to enjoy your new home without unnecessary stress.

Brighton's Warranty Coverage: A Comprehensive Breakdown

Here's what you can expect from Brighton's new home warranty:

Move-In Ready Period (30 Days from Closing)

- **Coverage Details:** For a period of 30 days, we address immediate concerns that may arise, like dripping faucets, clogged drains, or running toilets. These plumbing adjustments ensure everything is in working order.
- **Efficiently Addressed:** Our team promptly resolves any issues to help you settle in comfortably.

Workmanship Warranty (1 Year from Closing)

- **Coverage Details:** This warranty covers repairs for construction defects that don't meet building codes, manufacture performance guidelines, or the NAHB guidelines.
- **Example Scenarios:** If your kitchen cabinet doesn't close properly or a tile is loose, we'll take care of it.

- **10-Month Reminder:** We proactively reach out before the one-year mark to address any concerns, so you never miss an opportunity for covered repairs.

Systems Warranty (2 Years from Closing)

- **Coverage Details:** This phase protects critical systems in your home, including plumbing, electrical, and HVAC systems. If there are defects, we'll ensure they're resolved.
- **Peace of Mind:** Knowing these vital systems are covered allows you to focus on enjoying your new home.

Structural Warranty (3 Years from Closing)

- **Coverage Details:** This warranty includes load-bearing structural elements like your roof, beams, columns, foundation, and walls.
- **Focus on Safety:** We prioritize the long-term safety and stability of your home, ensuring it remains a safe space for you and your family.

What's Not Covered in Brighton's Warranty?

While our warranty provides extensive coverage, there are a few general exclusions:

- Normal wear and tear
- Damage caused by misuse or lack of maintenance
- Cosmetic imperfections after move-in
- Live plant material
- Homeowner alterations
